Prayer Letter - February 2022

⁸ But do not forget this one thing, dear friends: with the Lord a day is like a thousand years, and a thousand years are like a day.

⁹ The Lord is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance. [2 Peter 3: 8-9]

Pray for Christmas Follow Up

Over Christmas we had amazing attendance at our joint Carol Service and other events. Going into the new year we really hope to be able to retain some of the interest gained and continue to reach out.

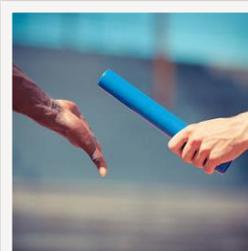

- Thank the Lord for the amazing way he worked through our Christmas events, that we were able to see so much fruit from our efforts.
- Please pray that those we met and those who heard about Christ for the first time would continue to have an interest in Christianity, that they would be brought to Jesus.
- Thank the Lord for everyone who volunteered for the events, for their help and heart.

Pray for Events Week

We are about to enter our main evangelical Events Week, a time where we host a series of events aimed at bringing the Gospel to the university through coffee stalls and evening events and talks.

- Pray for those organising the events, that the events would go ahead smoothly and with little stress on those volunteering.
- Pray for our speaker, Joey, who is leading the evangelical talks for the week. May God speak through her to bring students to himself.
- Thank the Lord for the opportunity we have to reach so many in our university.

Pray for Handover Preparations

With the end of Events Week, the CU is gearing up for handover, where our current exec train and then give responsibility over to the next years committee. It's a time of change and much opportunity within the CU.

- Thank the Lord for all he has done through this year's exec, for their commitment and dedication over the last year.
- Thank the Lord for all those who have volunteered to sit on the next committee. Pray that God is with them as they take up their roles.
- Pray that God would help the transition process, and that the new exec start well.
